BRYANS HIGH SCHOOL
all.about.me

Hi everyone. I'm Lucas. I live with my parents, my sister and my two brothers. Some of my classmates think I'm quite serious, but I don't agree. I'm just a bit shy, and I'm quite independent. My main interest outside of school is computers and gaming. But I'm not just a gamer. Right now, I'm **taking part** in a competition for young game designers. So at weekends, I'm learning to **code** with my aunt. She's a professional coder. She's also a really **patient** teacher – I'm finding coding impossible at the moment!

Hello! I'm Grace. I live with my mum and dad. I'm an **only child** – so no brothers or sisters. My friends and family say I'm a cheerful person. And they're right. I think there's always something to smile about! In my free time, **I'm into** various typical teenage hobbies, but my favourite is sport. I'm in the school hockey and football teams. And this year I'm having tennis lessons. I'm really **making progress**, I think. In a few months, I'm going on a kayaking trip with my cousin. We've never done it before but we're really excited.
