

3 Read the email and look at the map. Where is the restaurant? Circle a, b or c.

Hi, Mel James and Nina!

The name of the restaurant for my party is 18. It's got sandwiches burgers cake and ice cream.

We haven't got the CDs and party hats – have you got any?

Here is a map and directions to the restaurant. It's near the station and there's a cinema a music shop and a newsagent's next to the restaurant. It's opposite the café – three buses stop there. The shops and the restaurant are on High Street.

See you on Friday!

Lewis
