

Scars to your beautiful (Alessia Cara)

She just wants to be, beautiful
She goes, unnoticed she knows, no
She craves, attention she praises, an image
She prays to be, sculpted by the sculptor

Oh, she don't see, the light that's
Deeper than the eyes can find it
Maybe we have made her blind
So she tries to cover up her pain
And cut her woes away

'Cause covergirls don't
After their face is made

But there's a hope that's waiting
for you in the dark
You should know you're beautiful

just the way you
And you don't have to change a thing
The world could change its heart
No scars to your beautiful
We're stars and we're

Oh-oh-oh-oh
Oh-oh-oh-oh

are

beautiful

shining

limits

cry

And you don't have to change a thing
The world could change its heart
No scars to your beautiful
We're stars and we're beautiful

She has dreams to be an envy, so she's
You know, covergirls eat nothing
She says, beauty is pain and there's beauty in
everything

What's a little bit of hunger?
I could go a little while longer, she fades

She don't see her
She don't understand she's worth it
Or that beauty goes deeper than the surface
Oh-oh, oh-oh

So to all the girls that's hurting
Let me be your mirror
Help you see a little bit clearer
The light that shines within

There's a hope that's waiting
for you in the
You should know you're beautiful

just the way you are
And you don't have to change a thing
The world could change its heart
No scars to your beautiful
We're stars and we're beautiful

Oh-oh-oh-oh, oh-oh
Oh-oh-oh-oh-oh

dark

perfect

And you don't have to change a thing
The world could change its heart
No scars to your beautiful
We're stars and we're beautiful

No better you than the you that you are
(No better you than the you that you are)
No better life than the life we're living
(No better life than the life we're living)
No better time for your shine, you're a
(No better time for your shine, you're a star)
Oh, you're beautiful, oh, you're beautiful

There's a hope that's waiting for you in the dark
You should know you're beautiful just the way you are
And you don't have to change a thing
The world could change its heart
