

Welcome to London

London Bridge is one of the most popular areas in London as it is rich in historic sites and impressive modern landmarks. you can also get great food and drink there! London Bridge is easy to get to and easy on the eye with its cobbled streets, winding alleys and river banks, making its urban landscape one of the best in London. From Tower Bridge (often mistaken for London Bridge) to the delicious Borough Market, or even the spooky London Bridge Experience there are many things to do in the London Bridge area.

Not to be mistaken with London Bridge, Tower Bridge is London's oldest and most historic river crossing. It's one of the most recognizable landmarks in London and a must-see on anyone's visit to the area. built by John Jackson, the speciality of the tower bridge is the middle section of the bridge can be raised to allow river traffic to pass through.
