Unit 2. A train to London Reading Practice

1. Read and select.

Hi Emily,

I'm on a trip to Valencia. It's a coastal city in Spain.

You can get here by plane from Madrid. The flight is fast, so the journey is short. There are always lots of people on the plane. You can travel by train, too. It's quieter than the plane, but the trip takes longer. It's about an hour and a half.

I love the beach in Valencia. In the summer it's busier than in other seasons, but it's still tidy. Yesterday, we visited the City of Arts and Sciences. It's one of the newest buildings in Valencia. Then we got a taxi and went to a quiet café for lunch. How about you? Are you away on vacation? See you soon!

Olivia.
