Prefer/would rather

“prefer”, “tercih etmek” anlamına gelen bir fiildir.

\*I prefer listening to country music.

\*My dad prefers folk music.

“prefer” fiilinden sonra bir isim ve ya isim grubu gelebilir. “prefer”den sonra bir fiil kullanacaksak o fiilin “ing” halini kullanmamız gereklidir.

\*I prefer walking to school.

\*Mike prefers going to concerts.

Bir şeyi bir şeye tercih ettiğimizi söylemenken “prefer” fiili ile birlikte “to” edatını kullanırız.

\*They prefer swimming to playing football.

\*My teacher prefers coffee to tea.

“would rather” yapısı tercihlerimizi, isteklerimiz belirtirken kullandığımız bir yapıdır. Bu yapıyla fiilin yalın hali kullanılır. Olumsuz hali “would rather not” kısaltılmış hali ise “d rather” şeklindedir.

\*I'd rather listen to reggae music.

\*susan would rather not listen jazz music.

“would rather” yapısı ile iki tercih arasında “than” kullanılır.

\*I would rather stay at home than go on picnic.

\*She'd rather go by planet han by car.
