

Name: _____ Class: _____ Date: _____

Cellular Respiration Practice

Instructions: Draw a line connecting the common name to the correct chemical formula.

carbon dioxide •

glucose •

oxygen •

water •

• H_2O

• $\text{C}_6\text{H}_{12}\text{O}_6$

• CO_2

• O_2

Instructions: Drag the terms from the cellular respiration equation to the boxes in the diagram where they fit best.
