O. Read the text and choose true or false .

This is Alice McCartney. She is one of my best friends. Right now, she is living in Melbourne, Australia, with her family, but she was born in Peru. She's living in a different country because her mom is a very important doctor and she travels a lot. Alice lives with her two older brothers, Travis and Alex, her sister, Jasmin, and her dad. Her father, Richard, is from the United States, so Alice has family all around the world.

When we are together, our favourite activity is playing table tennis. We both live in a building and we don't have space to play sports like basketball or volleyball. Besides, the weather in Peru can be rainy and cloudy sometimes, so it is better to play indoors. Luckily, we love the rain!

Something that Alice and I have in common is our passion for clothes! We really love colourful clothes, like dresses, hats and shoes. During summer, we love wearing matching dresses, especially orange ones. In winter, we enjoy wearing violet earmuffs and violet gloves. It's so much fun!
