Subject: Sweden

Hi Hal,

We **arrived** in Sweden on Saturday. We're staying in the Ice Hotel. It's beautiful! Did you get my postcard? I **sent** it on Monday. This morning we **climbed** a mountain and **skied** down. It was great. I **met** a girl at the hotel. She's from Italy. I **learned** to say "hello" in Italian. It's "ciao." My Italian is bad. We **laughed** a lot. In the evening we **danced** until midnight. I'm going to meet her again tomorrow.

See you next week,

Steve
