III. COMPREHENSION [10 marks]

Instructions: Read the passage below and answer the questions that follow.

Ryan Nelson has many entrepreneurial characteristics. Since he was 14, Ryan played for his high school basketball team. Other boys his height – just 5'8" – would not have enjoyed competing with much taller boys. Ryan accepted that he would have to work harder to win. He needed to be creative in handling the ball. Most of all, he had to believe in himself. He did, and he became one of the top players on his team. (Extracted from Entrepreneurship Ideas in Action, 4th Ed., pg.12)
