

Talk, talk, talk ...

When was the last
time you were bored?
Where were you? Why
were you bored?

Which school
subjects are you
most interested in?
Why?

Are you tired
today? Why?

When is the last
time that you were
surprised by your
school marks?

When was the last time
you were very excited
about something?
What was it?

When is the last time
you were frightened?
What happened?

What do you think
about football?

What do you think
about homework?

What do you think
about funfairs?

What do you think
about flying?

What do you think
about travelling?

What do you think
about going to the
theatre?

What do you think
about going to the
circus?
