Mike's Day

After school he has lunch.	
In the morning I get up.	
He always has lunch at three o'clock.	
He never has a shower.	
He sometimes plays football with Keith and Howard.	
I always get up at eight o'clock.	
I have breakfast.	
He does his homework.	
I always brush my teeth.	
And I always go to school with my best friend Keith.
