THE HOLLYWOOD WALK OF FAME

Hollywood is an area of Los Angeles in California in the US. The Walk of Fame is in the center of the area on Hollywood Boulevard and Vine Street. It is over 1.2 miles long, and has more than 2,400 stars. There are more than 20 new stars every year.

The stars are in five different types: movies, TV, music, radio, and theater. Some famous people have more than one star, for example, Michael Jackson. He has two stars: one as a solo artist, and one as a member of the Jackson Five. But the Walk of Fame isn't only for real people. Mickey Mouse has a star and more recently, Shrek.
