

Dear Santa by OneRepublic

Dear santa, make my wish come true
There's only one thing on my list

It's that time of the (1) _____
When I miss you the most
Sitting next to the fire and mistletoe

I should be feeling the cheer
While I'm holding you close
Singing (2) _____ and drinking
cocoa

All the (3) _____ outside is falling
I'm here waiting for you, darling
It's all I want this year

Dear santa, make my wish come true
There's only one thing on my list
To have my baby home for Christmas

Dear santa, there's nothing I wouldn't do
I don't need a lot just one wish
Bring my baby home for Christmas

Yeah, baby home for Christmas
Have my baby home for Christmas

Wrapped the presents with (4) _____
Put the lights on the tree
I should be jolly and hearing sleigh
(5) _____ ring

So I'll dream and I'll hope
Wishing by Christmas (6) _____
We'll be happy and you're here with me

All the (3) _____ outside is falling
I'm here waiting for you, darling
It's all I want this year
