

**You will hear five speakers A-E talking about luck.**

**Read the statements 1-6.**

**Then listen and match each speaker to the correct statement.**

**There is one extra statement you don't need to use.**

1. A lucky person makes all his friends lucky too.
2. I know my luck will change for the better.
3. I must always have my lucky charm with me.
4. Luck doesn't play a role in our lives.
5. You need more than luck to be successful.
6. I can't hope that I'll be lucky forever.

| A | B | C | D | E |
