

Working with the test

Read the text on p. 44-45.

Answer the questions by moving the answer next to the question.

1. How did Ashley start her business?		2. Why did Ashley buy the web address?		People were shocked because they thought it was wrong.	She wanted to show her designs to her friends.
3. Why did Value Click Media offer Ashley money?		4. How much does Ashley earn a month? Does she get any money for her designs?		She doesn't have definite plans, but she's thinking of going to college and dreaming of going to New York to study at a design school.	She earns \$ 70,000 a month. The designs are free. All the money comes from advertising.
5. Why did Ashley leave school at the age of 15?		6. How did people react when Ashley left school at the age of 15?		It was difficult to go to school and run a business.	She misses her old normal life as a teenager and her friends at her old school.
7. Why is Ashley's website so successful?		8. Who works for Ashley on <i>whateverlife.com</i> and what do they do?		Ashley understands what kind of designs teenagers want because she is also a teenager.	Her mother is her manager, she has a business adviser and some of her friends design layouts for her.
9. What does Ashley sometimes miss?		10. What are Ashley's plans for the future?		Value Click Media is an advertising company and they wanted to put advertisements on her website.	She borrowed \$8 from her mother and bought a web address in 2004.

Connect the words to their meaning in the chart below.
