

Name:

Topic: Health problems / should / shouldn't

Complete the sentences with the verbs in parentheses by adding should or shouldn't as appropriate.

- | | |
|-----------------------------------|--|
| 1. It's cold. You | a cardigan. (wear) |
| 2. She has a headache. She | for a while. (relax) |
| 3. She has a fever. She | outside. (go) |
| 4. Steve has a stomachache. He | fatty at night. (eat) |
| 5. My brother has a toothache. He | to the dentist. (go) |
| 6. Damon has a cough. He | cold beverages. (drink) |
| 7. She has a headache. She | any pills. (take) |
| 8. He has a backache. He | a hot or cold compress to your back (apply) |
| 9. Simon has a sore throat. He | spicy or hot food. (eat) |
| 10. Elena has an earache. She | your ear warm by covering it with a soft cloth. (keep) |

Matches health problems with possible solutions. Noting that the **X represents "should not" and the **✓** "should".**
