Dear Pat,
I'm not far from Malta. As to the weather, it's very hot and I'm getting a nice suntan. There are lots more to do here just sunbathing though. I've tried windsurfing, water-skiing and snorkeling, but I haven't been on a jet ski yet. The nightlife here is fantastic, too. I've been to a beach barbecue and quite a few night clubs. I've also been to some great restaurants and tasted some delicious local dishes. I haven't bought any souvenirs, but I've seen some nice things I want to buy because shopping here is really great!
Well, that's all for now. See you when I come back.
Love,
Emma
