- 5 Complete the text with the past simple form of the verbs in the box.

arrive be (x2) decide feel fly look show talk try
visit watch

In my job I don't get many holidays. I'm always too busy with work! So this year, I ¹ decided to take a holiday in the sun with my family. We ² were very excited and ³ arrived at the airport early. We had to check in for the flight and hand in our luggage. As we queued, we ⁴ waited about all the things we wanted to do on holiday. When it was our turn to check in, I ⁵ looked at the tickets. I realised that I had booked the wrong holiday. Our tickets were for two weeks' holiday in Manchester, not Morocco! We ⁶ tried to change the tickets, but it wasn't possible. I ⁷ called my hotel booking to the travel company, but they couldn't change it. We were so angry! In the end, we ⁸ went to Manchester. The holiday ⁹ was a lot of fun. I ¹⁰ felt relaxed and happy. We ¹¹ watched films and ¹² visited great museums. We were surprised to have such a good holiday so close to home!
