I go walking the morning.

Goodbye! I'll see you Monday.

My birthday is March.

His birthday is 15th April.

We went out Friday evening.

I like to see the stars night.

I heard noises the night.

He is meeting me 9.30am the morning.

We went to the beach the weekend.

I'll see him the end of the month.

I'm leaving the end of the year.
