Hi Lucy
My name's Charlie. Well, it's really Carlos but everyone calls me Charlie. I'm from Barcelona and I live at home with my parents and my dog. I have 21 years old, and I'm at university. I'm studing physics. I'm in my last year and I really like it.
I'm going to tell you about myself. As you can see from the foto, I have black hair and browns eyes. My father always says I have a big nose, but I don't think so, I think it's a Roman nose!
I think I'm a positive person. My freinds say I'm funny and it's true, I like making people laugh. But I can_to be serious too when I need to be!
I dont have many free time because when I'm not in class I have to do projects or write reports. But when I can, I like watching TV series, especially science fiction series and comedies. I watch them in english with subtitles.
I also like playing computer games like World of Warcraft and Starcraft.
Please write soon and tell me about you and your life.
Best wishes
Charlie
