

Present simple

Affirmative, Negative, and Interrogative Sentences.

1) Turn the following sentence into the negative and Interrogative forms.

a) Mary reads her e-mails twice a day

(-) _____

(?) _____

b) I visit my relatives every year

(-) _____

(?) _____

c) Kevin watches videos on Youtube every night.

(-) _____

(?) _____

d) Kate and Harry travel to their home country every time they have the chance.

(-) _____

(?) _____

e) We are great students. Our teacher is at home now. She writes on her computer every day.

(-) _____

(?) _____

2) Provide questions to the following answers. Remember auxiliary verbs DO / Does are for Action Verbs and Be (am /is / are) are for state verbs. However when you ask for the **subject** of the action, no auxiliary verb is needed. For example: Who goes to the park in the afternoon? Cati and Tommy. Ask questions to the underlined answers.

- a) _____?
I always study in my bedroom
- b) _____?
She is my friend Catalina
- c) _____?
Catalina goes to the Club twice a week
- d) _____?
Catalina goes to the club twice a week
- e) _____?
Catalina studies in that school
- f) _____?
Because I'm thirsty
