

# ORAL EXAM CRASH 7/8 I PART

## 1 Internet

People from Canada spend, on average, 43.5 hours per week online, 8 hours longer than the next highest, the USA. One reason: Canada has long, cold winters so people spend lots of time indoors.

## 2 Sport

Football is king. In second place, surprisingly, is cricket. Only a few nations play the game seriously, but it's very popular in India, which has 1.2 billion people.

## 3 Outdoors

New Zealanders spend the most time outdoors. The countryside is perfect for hiking, mountain climbing, and water sports. If you live in New Zealand, you're never more than two hours' drive from the sea. And then there is the rugby, too ...

## 4 Bars

Spain has six bars per 1,000 inhabitants, easily the highest number. In Spain, a bar is for families, not just drinkers. It's a meeting place and often an eating place (try the tapas!).

## 1 THE ALTERNATIVE SCHOOL

The Alternative School, in Lancashire, UK, offers a different type of schooling for young people who are having problems in mainstream education. The school offers an innovative and interesting educational programme, which is designed specifically for the individual. Students can decide when they come to school, and which subjects they want to study. They don't have to come to school every day. They can choose to start with just a few hours a week. The school uses an 'open door' policy where students are allowed to leave lessons if they are bored or unhappy.

## 2 THE FLIPPED CLASSROOM

Many classrooms around the world are adopting a flipped classroom approach. This learning model switches classroom learning and homework. In a traditional classroom, the teacher explains the lesson to the students in the classroom, and the students study homework outside class, where they have to work on their own, and can't ask anyone for help. So, in a flipped classroom, children can watch a video of their teacher giving a lecture on the subject at home. They don't have to do any written work. When they come back to the classroom, they have to do the more traditional exercises, but they can ask the teacher or their classmates for help if they don't understand.
