Module 5 Basic Test

READING AND WRITING

6 Read and write *yes* or *no*. (20 marks)

My favourite wild animal!

by Sue Smith

My favourite wild animal is the polar bear. It lives in the Arctic. It's got a big white body, four legs and a short tail. It eats meat and fish. It lives for about twenty-five years. It's very strong. It can swim very well. It can even dive! I think it's the cutest animal in the world!
