Read the following passage and do the tasks below (1 point)

Making a salad is an easy and fun way to create a healthy meal. Start by gathering the main ingredients: lettuce, tomatoes, cucumbers, and colorful bell peppers. Wash these vegetables under running water to get rid of dirt. After washing, make them dry with a paper towel. Next, chop the lettuce into small, bite-sized pieces and dice the tomatoes, cucumbers, and bell peppers. Combine them in a large salad bowl. You can also add carrots or radishes for the flavor and texture.

Now, it's time to make the sauce. A simple one can be made by blending olive oil, vinegar, a pinch of salt, and pepper. Mix these ingredients together until they're well combined. Pour the sauce over the salad and mix the ingredients together. Your fresh salad is ready to be served and enjoyed!

Task 1. Write True (T) or False (F)

41. You can add carrots or radishes like the additional ingredient to the salad. _____
