Hi Carly!

How are you? Thank you for sending me the information about that band. I've just looked at it. It's great!

Have you heard about freekidzmuzik.net? It's a new website I **25**_____ just found! Do you know it? I think you'd love it. There's a lot of music on it, **26**_____ not all of it is good! You can look around **27**_____ website to find the kind of music you enjoy listening **28**_____ most. My favourite song is Debbi Mail's *Smile Please!*. You can read **29**_____ bands and their CDs on the website, too. Just click on the box under the name of each song.

30_____ you usually use your computer to download the music you like? I normally do.

I've got to go now, but I'll write again soon.

Jake
