Home Alone Wish List

In "Home Alone", Kevin McCallister wished that his family would disappear. When he realized that his wish had come true and he was home alone, Kevin did all of the things he used to get yelled at for—he ran around the house, jumped on beds, ate lots of sweets, looked at things he wasn't supposed to, and even tried to shave! Make a list of everything you would do you if you woke up one day and your family disappeared too.

AHHHHHHH!!!
