

Matemática- 1.º ano

Adição

1- Calcula mentalmente.

$10+2 =$	$10+3=$	$10+ \underline{\hspace{1cm}} =15$	$\underline{\hspace{1cm}} + 4 =14$
$10+4=$	$10+5=$	$10+ \underline{\hspace{1cm}} =19$	$\underline{\hspace{1cm}} + 2 =12$
$10+6=$	$10+7=$	$\underline{\hspace{1cm}} + 6 =16$	$10+ \underline{\hspace{1cm}} =11$
$10+8=$	$10+3=$	$\underline{\hspace{1cm}} + 7 =17$	$10+ \underline{\hspace{1cm}} =17$
$10+10=$	$10+1=$	$10+ \underline{\hspace{1cm}} =16$	$\underline{\hspace{1cm}} + 3 =13$

2- Calcula as adições com o auxílio da reta numérica.

$5+2 =$	$1+17=$	$10+5+3=$
$7+4=$	$3+15=$	$10+4+ 2=$
$8+6=$	$2+14=$	$10+6+2=$
$8+3=$	$4+16=$	$10+8+2=$
$9+1=$	$2+18=$	$10+7+3=$

3- Completa as lacunas.

$8+ \underline{\hspace{1cm}} =14$	$\underline{\hspace{1cm}} +17=19$	$10+ \underline{\hspace{1cm}} +3=16$
$6+ \underline{\hspace{1cm}} =13$	$\underline{\hspace{1cm}} +15=20$	$10+ \underline{\hspace{1cm}} + 2=17$
$7+ \underline{\hspace{1cm}} =14$	$\underline{\hspace{1cm}} +14=16$	$10+ \underline{\hspace{1cm}} +2= 14$
