Read the given passage and answer questions 9 – 12 on the basis of the same.

Subhash Ltd. is engaged in the business of food processing and is selling its products under a popular brand. Lately the business was expanding due to good quality and reasonable prices. Also with more people working, the market for processed food was increasing. New companies were also coming to cash in the new trend. In order to keep its market share in the short run, the company directed its existing workforce to work overtime. But this resulted in many problems. Due to increased pressure of work, the efficiency of the workers declined. Sometimes the subordinates had to work for more than one superior resulting in declining efficiency.

The divisions that were previously working on one product were also made to work on two or more products. This resulted in a lot of overlapping and wastage. The workers were becoming indisciplined. The spirit of team work, which had characterized the company previously, was beginning to wane. Workers were feeling cheated and initiative was declining. The quality of the product was beginning to decline and market share was on the

verge of decrease. Actually, the company had implemented changes without creating the require infrastructure. The management of the company Subhash Ltd. now realized its folly.
