

Now complete the conversation between two friends.

What does Malik say to Daniel?

For questions 6–10, choose the correct letter A–H.

Daniel: What do you like doing in your free time, Malik?

Malik: Well, I really like music.

Daniel: Yeah, me too. Do you ever go to concerts?

Malik: **6**

Daniel: Well, I'm going to one this Saturday. And it's free!

Malik: **7**

Daniel: Do you know the park near my house?

Malik: **8**

Daniel: That's it. There's going to be music, and food too. But you have to pay for the food!

Malik: **9**

Daniel: No, it's in the afternoon. It starts at 3 o'clock. Why don't you come with me and my friends?

Malik: **10**

Daniel: Yeah, that's fine. See you there.

A I think so. Is it behind the cinema?

B Of course! Is it in the evening?

C Maybe watch films. But I don't have much free time.

D I've never been there before.

E I read sometimes. And I play the guitar. I love music!

F Thanks. I'd like that. Shall I text you when I get to the park?

G They're usually too expensive for me.
