

1 Read and circle the subjects.

Hello! My name's COOL-Spider and I like School. My favorite subject is IT. I love computers! I like math too and my teacher is great. Tuesdays are boring. I have history and science and I don't like those subjects. Then we have PE and music. I love PE but I don't like my music class.

2 Glue in the subjects COOL-Spider likes and doesn't like.

COOL-Spider likes these subjects.
