

Jack's postcard

Hello Brian.

This holiday is wonderful. Korat Island is beautiful, and the weather is hot and sunny here.

I arrived on Saturday morning and went to the beach. I took a long swim and then sat under the sun all afternoon, but I got a sun burn! After that, I sat under my umbrella and listened to the CD you bought me for my birthday - thanks again!

On Sunday, I met some boys from France, and we played beach volleyball together. It was fun, they are all very friendly.

Tomorrow, I will go shopping and I will buy you a nice t-shirt. I hope you like it. See you when I get home.
