**Listen to the song and complete with the correct word.**

A hard day's night - Beatles

It's been a hard day's night, and I've been **working like a dog**
It's been a hard day's night, I should be **sleeping like a log**
But when I ....home to you I find the things that you............
Will make me feel alright
You ....I work all day to get you money to buy you things
And it's worth it just to ....you say you're going to give me everything
So why on earth should I ...., 'cause when I get you alone
You know I feel OK
When I'm home everything seems to be right
When I'm home feeling you .... me tight, tight
It's been a hard day's night, and I've been working like a dog
It's been a hard day's night, I should be sleeping like a log
But when I get home to you I find the things that you do
Will make me feel alright, ow
So why on earth should I moan, 'cause when I get you alone
You know I feel OK
When I'm home everything seems to be right
When I'm home feeling you holding me tight, tight
It's been a hard day's night, and I've been working like a dog
It's been a hard day's night, I should be sleeping like a log
But when I get home to you I find the things that you do
Will make me feel alright
You know I feel alright
You know I feel alright
