Read & Write It Right

This is a short review of the movie "The Bucket List".

Read what the two men had on their list and write sentences using Present Perfect.

Two terminally ill men try to fulfill a wish list (things they want to accomplish in their lifetime) known as "The Bucket List" before each one dies (kicks the bucket). After they break out of a cancer ward, they go on a road trip with an itinerary that includes racing cars, eating giant plates of caviar and slinging poker chips in Monte Carlo.
