

Writing about suggestions for improving the environment

1. Match the suggestions for improving the environment with their expected results.

Suggestions	Expected results
1. Cleaning up regularly (e.g. organising clean-up activities at weekends)	a. This reduces CO2 and makes the air clean.
2. Planting more trees (e.g. encouraging students to plant trees or flowers in their school)	b. This makes the waste collection easier.
3. Setting up more rubbish bins (e.g. putting more rubbish bins in public places such as parks or bus stations)	c. This keeps the environment clean and makes it safe for everyone.

2. Read the incomplete paragraph about ways to improve the environment. Fill in the blanks with the words and phrases from the box.

First	In conclusion	For example
-------	---------------	-------------

There are three things we can do to improve the environment in our school.
(1) _____, we should clean up all areas regularly. (2) _____, we can
organise clean-up activities at weekends. By doing this, we can keep our
environment clean, beautiful, and safe for everyone.
