6b Speaking

Opening a discussion

To begin with...

First, we need to discuss...

Let's start by talking/thinking about...

The important thing (here) is...

The main thing we need to discuss is...

Supporting one's opinion

I believe... is a good idea because...

There are several reasons why I believe this. The first is...

... would provide students with...

Some students may find this... as they are (not) interested in...

The reason I think... is more appealing to students is because...

One advantage/disadvantage of... is...

I think... would be the most appropriate/suitable option for... as many students...

Expressing contrast

On the other hand,...

However,...

Very true, but...

You may be right, but...

7a Speaking

Commenting

That's interesting. I think that...

That sounds like a good idea. And then we could have...

OK. I would add...

Can I add something here?

Maybe the... could...

Hmmm. I hadn't thought of that.

What do you think about...?

What about...?

I have a better idea.

What if...?

Confirming understanding (repeating or paraphrasing)

So, you think that we should...

In other words...

I understand. You're saying that...

I get it. He/She...

So, what you're saying is...

Let me see if I understand you correctly...
