

water	Hydrochloric acid	Nitric acid	Zinc oxide
Sulfuric acid	Sodium hydroxide	water	Sodium chloride
Magnesium hydroxide	Hydrochloric acid	Iron sulfate	water
water	Potassium nitrate	Potassium hydroxide	Zinc sulfate
Iron oxide	Sulfuric acid	Magnesium chloride	water

Drag the boxes above to make neutralization reaction equations for the following salts:

1) Zinc sulfate:

_____ + _____ = _____ + _____

2) Magnesium chloride:

_____ + _____ = _____ + _____

3) Sodium chloride:

_____ + _____ = _____ + _____

4) Iron sulfate:

_____ + _____ = _____ + _____

5) Potassium nitrate:

_____ + _____ = _____ + _____
