

# I love listening to music!

My name is Susan Wallpot, I'm fourteen years old and I'm a Scottish girl.

My birthday is on November the 30<sup>th</sup>.

I live in Edinburgh with my relatives and my little brother and my little sister. Tommy is only six and Emma is ten.

I go to school by bus and I attend the St. Andrew High School. I'm a good student. Every day I do my homework from 4 o'clock p.m. to 6 o'clock p.m, then I usually go out for a walk. I love walking! There is a very big city park near where I live and where I like meeting my friends. My favourite hobby is listening to music.

As you can see, everywhere I go I take my MP4 to listen to my music.

My favourite singer is Adele and I'm listening to her latest cd

I also like Paramore group and Paolo Nutini, he is an Italian -Scottish singer.

Are these sentences true or false?  
Correct the false ones.
