Dear My Friend, Rizki Nugraha

I'm very glad to write this letter to you. How is your school bro? Here in South Jakarta, we are preparing for the Independence Day celebrations.

First, we are going to have some sports competitions like soccer, volleyball and many more. The winning team will receive some money as a prize. I'm going to play in the soccer competitions.

Then, I'm going to have a wayang show on the night before Independence Day. The dalang will perform all night long, that sounds good right? Btw, have you ever seen a wayang show? It is very entertaining lho.

What are your plans for the Independence Day celebration? Please write back and tell me ya my bro!

Your bestie,

Sandy

2. Bandung, 21th May 2022

My Lovely, Sarah

What is it like there? Still hot? The weather is still cool here. Sar, about your invitation to come to visit you, I'm not sure if I can go there. In fact, it's nearly impossible because I don't think I can afford it.

So, why don't you come here? I'll show you around my beloved hometown.
With love,

Putri

3. Dear Mommy,

I May act like a know-it-all in front of you, but a day doesn't pass without seeking your advice. I have always idolized you. When I was a little girl, I always wanted to dress like you, talk like you and walk like you. Did you know? Whenever my friends would say "your mom is so beautiful," I would feel really proud.

I am sorry for yelling at you at times. You tolerated all my tantrums like door-slams, even silent treatments. Even though I was not the perfect child, you were a perfect mother to me. My happiness has always been your happiness. Thank you for everything you have given me, mommy.

Your daughter,

Annisa
