Question 6.2

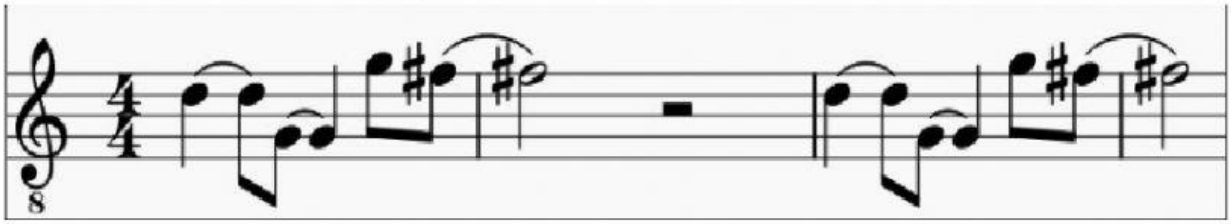
This question features **three** excerpts of music from the same genre.

- Listen to this excerpt and identify **two** terms from the list below which describe what you hear. The excerpt will be played twice.

arco	homophonic
ritardando	time change
irregular time signature	

- Listen to this excerpt that includes a piano solo and describe in detail a **stereo mic'ing technique** you would use to achieve a similar recording for an acoustic piano. Justify your choice.

- Listen to this excerpt, and follow the lead electric guitar part printed below. Do not attempt to write anything during this first playing.



There are markings missing from the printed electric guitar part. You will hear the excerpt two more times.

Name the type of marking which is missing from the printed music.
