Passage: The Picnic

Last Saturday, Emma and her friends decided to have a picnic in the park. They brought sandwiches, fruits, and drinks. The weather was sunny, and the birds were singing. They found a nice spot under a big tree and laid out a blanket.

While they were eating, a friendly dog approached them. Emma and her friends gave the dog some bread, and it happily wagged its tail. They named the dog Max and played with him for a while. After some time, Max's owner came by, thanked them, and took Max home.

After the picnic, they played games like frisbee and hide-and-seek. They laughed a lot and took many pictures. When the sun started to set, they packed up their things and headed home, tired but happy.
