Last weekend, I saw a great 1. ..... called "Home alone". I watched it with my sisters and 2..... in my grandmother's house. It is one of the 3.....films I have ever seen. It was 4..... by Chris Columbus.

Home alone is an American 5..... film that was produced in 1990. The actors who play main 6..... are Macaulay Culkin as Kevin, Joe Pesci as Harry and Daniel Stern as Marv. The film tells the story of a spoiled 8-year-old Kevin McCallister who acts out the night before a family trip to Paris, so his mother makes him sleep in the attic. Kevin, the 7....., wakes up next morning to realize that his family travelled without him. He is happy to be 8....., but his excitement sours when he realizes that two con men plan to steal his house, and that he must protect the family home. The best 9..... that I like about this film is when Kevin is nailed to the wall. Also, I like the music and effects as they are really great.

Overall, this is such a wonderful film that everyone should see because it is full of interesting events that make you feel that you live every moment of the film.
