

**Price**

Price/ important factor/ consider / when / choose / hotel.

I / budget minded/ so / I / often / moderately priced / hotel.

If/ you / afford / 4- star / 5- star hotel, you / may / better / hotel.

However / my experience, / that / not / always / case

**Location**

Location / one / most important / factors/ consider / when / choose / hotel.

If/ hotel / conveniently / near / famous attractions, / save / time.

If/ go / beach / I/ often / hotel / less than / 5 minutes / beach.

If / go / big cities / I / often / hotel / city center.

**Amenities**

When / travel / , only / sleep/ hotel / night / a hotel / comfortable bed / important.

I / not / need / many / service/ but / need / good / housekeeping service.

Besides, free / shuttle / free / wireless / Internet / a must

**Staff**

/staff/ need/ attentive, friendly, and helpful.
