

Write an email to a friend to invite him/her to do something. Think about these questions:

*Who will you write to? What activity are you doing? When and where? What time are you meeting up?*

*Who else is going with you?*

The form is a 'New Message' window. At the top, there is a status bar with a signal strength indicator, the time '10:49', and a battery level indicator. Below this is a header bar with a 'Cancel' button on the left, the title 'New Message' in the center, and a 'Send' button on the right. The main body of the form has three sections: a 'To:' field, a 'Subject:' field, and a large text area for the message body. The text area contains several horizontal dotted lines for writing.
