“My school”

Match the questions with the answers

1. What's your favourite subject?	a. My least favourite thing about my school is the pressure to perform and excel, which can sometimes feel overwhelming.
2. Which subject do you find the most difficult?	b. The strengths of my school include its talented and dedicated teachers, and a range of extracurricular activities and clubs. There's so much to do!
3. What do you think are the strengths of your school?	c. My favourite thing about my school is the sense of community and belonging I feel when I am there. In addition, I enjoy participating in extracurricular activities to pursue my interests and passions.
4. What do you think are the weaknesses of your school?	d. If I could improve one thing in my school, it would be to update some of the outdated facilities and resources to create a more modern and comfortable learning environment.
5. Is it a big school?	e. I find math to be the most difficult subject for me. The complex problems are challenging to understand, and I struggle to keep up with the pace of the lessons.
6. What is your favourite thing about your school?	f. The quality of the facilities and resources at my school varies depending on the specific classroom. Some are well-equipped and modern, while others could be improved.
7. What is your least favourite thing about your school?	g. My favourite teacher is Ms. Petrova, my English teacher. She is passionate about her subject and her main aim is to help students succeed.
9. How would you rate the quality of the facilities and resources at your school?	h. My favourite subject is probably history. I enjoy learning about the rich cultural heritage and the significant events that have shaped our country's past
10. Who is your favourite teacher and why?	i. One weakness of my school is that it can be quite competitive, which can be stressful at times. Additionally, some of the facilities are quite old and need to be updated.
11. If you could improve one thing in your school what would you improve?	j. Yes, my school is relatively big, with a lot of students and many different classrooms. There's also a gym, cafeteria, assembly hall and sports grounds.

“Learning English”

Match the questions with the answers

1. How do you feel about the importance of English in today's global society?	a. I think that watching English-language movies and TV shows with subtitles can be an effective way to learn because it exposes me to natural language and helps me improve my listening skills. Additionally, I try to speak with native English speakers whenever I have the opportunity.
2. What motivates you to learn English?	b. Learning English is important for me because it allows me to communicate with people from all over the world and understand different cultures. In today's globalized society, English is the language of international communication, and being able to speak it opens up many opportunities.
3. What do you find most challenging about learning English?	c. The grammar and pronunciation of English can be challenging for me, but I am determined to improve my skills. I practice every day and try to learn from my mistakes.
4. What resources or tools do you find most helpful for learning English?	d. I find online resources like Duolingo and YouTube to be very helpful for learning English because they are easily accessible and provide a wide range of materials. Also, I can use them at my own pace and repeat lessons as many times as I need to.
5. What kind of activities or methods do you think would be most effective for learning English?	e. I am motivated to learn English because I want to improve my chances of getting into a good university and having a successful career. Also, I enjoy watching English-language movies and reading books in their original language.
6. How do you think your English language skills will help you in your future?	f. I am interested in learning more about American and British culture, and I would love to travel to those countries someday to experience it for myself.
7. Are there any English-speaking countries or cultures that you are particularly interested in or inspired by?	g. I think that having strong English skills will be very helpful for my future career, especially if I want to work for an international company because many of them require their employees to speak English.

EGЭ 23 oral part task 3

“Travelling”

Match the questions with the answers

1. Have you traveled to any other countries before? If so, which countries have you visited?	a. The most memorable trip I've taken was to Morocco. The food was amazing, the people were so friendly, and the architecture and landscapes were beautiful.
2. What kind of tourist attractions do you enjoy visiting the most when you travel?	b. I've definitely had some challenges while traveling, like getting lost or dealing with language barriers. But I've learned that these challenges are part of the experience, and they often lead to some of the best memories.
3. Do you prefer to travel alone or with others? Why?	c. Definitely! Traveling is one of the best ways to learn about other cultures and ways of life. You get to see things from a new perspective and challenge your own beliefs.
4. What is the most memorable trip you have taken, and why was it so memorable?	d. Yes, I think tourism can have negative impacts on local communities and the environment. That's why I try to be mindful of my impact when I travel, by choosing ecofriendly accommodations and supporting local businesses.
5. Do you think traveling helps people learn about other cultures? Why or why not?	e. My advice would be to plan ahead as much as possible, but also be open to unexpected opportunities and experiences. And don't forget to pack light!
6. What advice would you give to someone who is planning their first international trip?	f. Yes, I've traveled to a few countries before, including Thailand, Japan, and France. I love experiencing new cultures, sightseeing and trying new foods.
7. What kind of accommodations do you prefer when you travel?	g. I usually prefer staying in hostels or selfcatering apartments because they're more affordable and you get to meet other travellers.
8. What is the best way to save money when traveling?	h. I really enjoy visiting historical sites and museums when I travel. I also love spending time in nature, like hiking or going to the beach.
9. Have you ever experienced any challenges or difficulties while traveling? If so, how did you overcome them?	i. One of the best ways to save money when traveling is to be flexible with your dates and destinations. You can often find cheaper flights or accommodations if you're willing to be a bit flexible.
10. Do you think tourism can have negative impacts on local communities or the environment? How can these negative impacts be minimised?	j. I prefer to travel with others, especially my friends or family. It's more fun to share experiences with other people and create memories together.
