You and your smartphone

There are lots of negative comments about smartphones, like '(a) it away!' or '(b) it off! But can smartphones be good things, too? Yes, of course they can! They are great for talking to friends and meeting up online when you can't be together. But (c) them all the time.

Do you (d) checking your emails or social media a lot? (e) you have got other things to do, too, so (f) your time carefully.

How many apps do you have? (g) your five favourite apps and (h) the others.

(i) messages to your friends and meet online after school or at the weekend. We all love (j) to our friends after school!
