4. Read and number

Hi, my name's Ben. I learnt a lot about prehistoric times at the museum, yesterday. First, I learnt about the animals they hunted. They were very large. The people ate meat and fish, too. They made a fire with stones to cook their food. And they didn't have houses. They lived in caves! Finally, I learnt about their tools. They used a hammer to break rocks. And there was an axe too to cut down trees.
