

# Interview

Write four interview questions about the areas below (one question for each area). Add one of your own.

|                                                        | Question | Notes |
|--------------------------------------------------------|----------|-------|
| Expectations of their parents or community             |          |       |
| Their personal expectations about their career or life |          |       |
| Any conflicting expectations and how they managed them |          |       |
| How they feel about their career choice today          |          |       |
| Your Idea                                              |          |       |
