At Redfield School we believe in a modern approach to education. Of course, students here ¹_____ traditional subjects such as Maths and History, but they also ²_____ more practical skills, such as ³_____, which we think are important for life. As well as the main subjects, there are lots of extra classes, such as Yoga and ⁴_____ Design. We only have ⁵_____ exams once a year and we don't expect students to spend a lot of time ⁶_____ for them. We believe that old-fashioned methods of learning such as ⁷_____ lots of facts aren't important in the modern world. The internet is there to check facts, so people don't need general ⁸_____ in the same way that they did 50 years ago. We believe it's more important to teach our students critical ⁹_____ skills so they can form their own opinions. We want our students to be ¹⁰_____ and use their imagination in everything they do. We also believe that ¹¹_____ is a really important skill, so we encourage our students to work with each other in groups. We are lucky to have a lot of ¹²_____ young musicians here, and all our music groups give a ¹³_____ to the whole school at the end of each term.
