1 Jib: How was your walk-in interview last week?

2 Jack: Not good. I was very nervous.

3 Jib: Oh, that's too bad. When is your next job interview?

4 Jack: No companies have called me for interview since then. And I'm still looking for it.

5 Jib: Oh, how do you seek a job?

6 Jack: Well, I search for a job in the newspaper.

7 Jib: Why don't you find a job on the Internet?

8 Jack: Um, that's a good idea.

9 Jib: There are tens of job search websites on the Internet such as ***www.jobsdb.com.***

10 Jack: Do you usually look for a job on the Internet?

11 Jib: Yes, I do. Many companies advertise jobs on the Internet.

12 Jack: Thanks. I'll give it a try.

Activity 5.13

Work with your friends and answer the questions from the conversation in Activity 5.12.

1. How many ways of finding a job were mentioned in the conversation? What are they?

2. What is a 'walk-in interview'?

3. How does Jib usually look for a job?

4. How does Jack usually look for a job?

5. Why is the Internet an interesting way to seek for a job?
